

**Greetings from Marion, Alabama!** We're so glad you have chosen to come to Judson College. We are looking forward to meeting each of you. We hope this list will help you as you prepare to come to Judson in September. If we could make a suggestion based upon experience, we would say: bring what you need and a **few** things that are very dear to your heart, but **DON'T BRING TOO MUCH**. Get here, then decide what else you want/need to bring.
