ELIGIBILITY FOR LICENSE

Legal requirements for licensure in the State of Alabama are listed in the Alabama Board of Nursing Administrative Code. The Alabama Board of Nursing determines the eligibility for licensure based on application reviews and authorizes candidacy to take the NCLEX-RN licensure exam. Applications to write the examination may be denied by the Alabama Board of Nursing based on this review. Successful completion of the nursing program does not guarantee eligibility to take the NCLEX-RN licensure exam.

_____ I understand that completion of this application does not in itself grant admission to the nursing program.
Initials I certify that the information given in this application packet is true and correct. I understand that providing false information may be deemed sufficient reason to dismiss the student and/or refuse admission. Meeting minimal requirements does not guarantee acceptance.

ACKNOWLEDGEMENT OF JUDSON COLLEGE POLICIES & PROCEDURES

_____ **Statement of Understanding – Attendance**
Initials I understand that Judson students are expected to attend regularly and punctually all class meetings, laboratories, and clinicals, and are responsible for all coursework.

_____ **Statement of Understanding – Academic Dishonesty**
Initials I understand that academic dishonesty—assisting another student on examinations, using unauthorized materials during examinations, or plagiarism (using materials of others as one's own)—is considered unethical and in violation of Judson's academic standards and Christian commitment. If such an incident occurs, the professor and a superior will initiate appropriate action. Depending on the seriousness of the offense, sanctions may include the failure of the assignment or the failure of the course. A second offense will result in automatic suspension from the College.

Statement of Understanding – Chapel**Initials**

All nursing students must attend Chapel services and other mandatory College functions.

Statement of Understanding – Code of Conduct**Initials**

Judson College students are expected to maintain high standards of personal conduct that will reflect favorably upon themselves, the Judson community, and the purpose for which the College was founded. I understand that, upon enrollment, I become subject to the Judson Code and other policies and regulations of the College. The College reserves the right at any time to initiate appropriate action, up to and including suspension or expulsion. In the case of suspension or expulsion, no fees will be refunded, and neither the College nor its officials shall be held liable.

Statement of Understanding – Background Screen Checks**Initials**

I understand that any student who enrolls in the Nursing Program is required to have a background screen conducted upon entering the Nursing Program. The College reserves the right to require random background screens, if applicable, at the expense of the student.

Statement of Understanding – I understand that a positive criminal background screen may prevent or impede my taking the licensure examination (NCLEX-RN) to become a registered nurse. I understand that the responsibility of approving applicants for licensure by examination rests with the Alabama Board of Nursing.**Initials**

Statement of Understanding – Weapons Policy**Initials**

I understand that possession of firearms, ammunition, explosives, fireworks, or other dangerous instrumentalities while on College-owned or controlled property is prohibited. Violations of this policy will render a student subject to disciplinary action.

Statement of Understanding – Pre-Clinical Drug Screen**Initials**

I understand that any student who enrolls in the Nursing Program is required to have drug screen testing upon entering the Nursing Program. The College reserves the right to require random drug screens, if applicable, at the expense of the student. If the random drug screen results are non-negative, disciplinary action will be taken, up to and including suspension and/or expulsion from the Program.

Statement of Understanding – Possibility of Non-traditional Work Hours and Weekend Assignments**Initials**

I understand that, due to the large number of nursing students in our area, there may be some evening (non-traditional work hours) and weekend assignments.

Statement of Understanding – Disability Services:**Initials**

Judson College is committed to providing academic accommodations for qualified students with disabilities to ensure that each has a full opportunity to enjoy the benefits of a college experience. I understand that it is the responsibility of the student with the diagnosed disability to self-identify in order for the College to provide adequate academic accommodations. Notification of a disability **MUST** be made to the Office of the Registrar, who has been designated as the Disability Services Officer at Judson College. This office is located on the first floor of Jewett Hall. The telephone number is 334-683-5112. The "Request for Support Services" form, along with documentation of the disability as described in the Judson College Academic Catalog, must be filed in the Office of the Registrar prior to enrollment.* The student must submit the written request form for accommodation(s) in person each semester. Notification to an individual faculty member is not sufficient.

*Please see the Academic Catalog for the Disability Services Policy in its entirety, as well as other College policies.

My initials and signature indicate that I have read and understand the above policies and procedures of Judson College and the ADN Program. It is also my responsibility to read and understand all policies and procedures of Judson College.

Students are expected to be aware of the College calendar and critical deadlines. Awareness of and response to correspondence received through all official modes of communication are also student responsibilities.
