Thank you so very much for your financial support of Judson College! Your gifts, along with those of other alumnae and friends, assist in keeping the college and furthering its mission of Christian higher education especially for women.

Through the generosity of friends like you, Judson students are pursuing their academic dreams. Judson students are preparing to become teachers, physicians, musicians, counselors, veterinarians, criminal justice professionals, pharmacists, missionaries, attorneys, equine-facilitated mental health practitioners—and so much more. As conveyers of the light of Christ, our students will bring blessed light to their communities, professions and areas of service.

Because of the faithful giving of Judson donors, amazing opportunities are afforded her students and graduates. This past summer, Marianna Nichols ’16, History major, was one of only six students nationally to receive an internship at Mount Vernon, the historic home of George Washington. During her internship, Marianna served as a guide and historical interpreter. Judson graduates Caitlin Autrey ’15 and Joanna Nicholson ’15 were accepted into both the Auburn University School of Pharmacy and Samford University’s School of Pharmacy.

In June, Judson launched the public phase of Blessed Light – The Campaign for Judson College. Taken from the Judson College Alma Mater, Blessed Light captures the vision of Judson College. Blessed Light – The Campaign for Judson College will undergird the mission of the college to be a beacon of God’s light in a dark world. The campaign will support the college’s efforts to prepare young women academically and spiritually for life and for service.

With a campaign goal of $13,050,000 - $20,400,000, the generosity of alumnae and friends has garnered more than $7.7 million in gifts and pledges! These gifts have already been put to work with the renovation of the Anne Kirtley Residence Hall, the implementation of Phase Three of the Piper Equine Center and the installation of outdoor lighting for the Charles F. Dunkin Athletic Park. In the coming months you will hear more about your opportunities to impact the lives of students through Blessed Light – the Campaign for Judson College.

Thank you for keeping Judson College. Thank you for all you do for Judson!

Sincerely,

Terry Smith Morgan, PhD
Vice President for Institutional Advancement
Judson’s story is found in those whose lives she has influenced. They are all part of the Judson story. Your generosity impacts the lives of those whose stories have yet to be told.
