BLESSED LIGHT

JUDSON COLLEGE ANNUAL GIVING REPORT 2015-16

We like thee, would live for service,
Like thee, send forth *blessed light*....

Thank you so very much for your financial support of Judson College! Your generosity, along with that of other alumnae and friends, has assisted in keeping the college and furthering her mission of Christian higher education especially for women.

Because of the faithful giving of Judson donors, amazing opportunities have been afforded to our students—both inside and outside the class room. Over the summer, senior History and Religious Studies major, Marianna Nichols, joined Harvard archaeologists and students from around the nation in a dig in southern Israel near Ashkelon, a major city of the Philistines between the 12th and 7th centuries B.C. National Geographic, along with others, has referred to this dig as the most important discovery in biblical studies-related archaeology in decades. We are grateful to friends like you who make such extraordinary opportunities possible.

Blessed Light – The Campaign for Judson College has made great strides this year. With a Base Goal of \$13,050,000 and Challenge Goal of \$20,400,000, more than \$14.2 million has been raised in gifts and pledges! Two campaign sections have not only met, but exceeded their Challenge Goals! The Faculty and Staff Campaign Division reached 150% of its goal. The Judson Area Campaign Division reached 168% of its goal. Additionally, I am pleased to report that the Birmingham Blessed Light Campaign kicked off in September and is already more than half-way to its Base Goal of \$1.5 million!

Gifts toward the Blessed Light Campaign have made a significant difference on the Judson campus over the last year. These include the completion of the Piper Equine Studies Center, which houses a new education facility; occupancy of the newly renovated Anne Kirtley Hall; and utilization of newly installed outdoor lighting on the soccer and softball fields of the Charles F. Dunkin Athletic Park. The college looks forward to the continued renovation of the Julia Tarrant Barron Hall, which began last summer with behind-the-scenes plumbing updates. The support of alumnae and friends will make this possible.

Thank you for your faithful support of Judson College. Thank you for the difference you make in the lives of students—every day!

With sincere gratitude,

Terry Smith Morgan, PhD

Vice President for Institutional Advancement

Judson's story is found in those whose lives she has influenced. They are all part of the Judson story. Your generosity impacts the lives of those whose stories have yet to be told.

Triangle Association
Contributors who gave \$500 to \$999
are designated members of the
Triangle Association.

When the original Jewett Hall burned in 1888 and the tower bell was destroyed, Uncle Abe, who worked under eleven presidents from 1852 to 1924, would summon the girls to meals and classes with his triangle. "As he sounded the triangle, his body would sway to the rhythm of his beating while his face suggested a high priest performing some joyous ceremonial rite. Louise Manly said of his ringing, 'His playing on the triangle is in perfect time and so jolly that it almost sets one to dancing. . . . Uncle Abe died on February 9, 1924, just as the triangle was ringing for breakfast. . . his life left the message: 'Be faithful; be true; do your best for God and man.'" When Jewett Hall was destroyed by fire in 1947, the triangle was saved by "Long John", successor to Uncle Abe, from The story of Judson College In Needlepoint sponsored by the Judson College Alumnae Association.
