Triangle Association

Contributors who gave \$500 to \$999 are designated members of the Triangle Association.

When the original Jewett Hall burned in 1888 and the tower bell was destroyed, Uncle Abe, who worked under eleven presidents from 1852 to 1924, would summon the girls to meals and classes with his triangle. "As he sounded the triangle, his body would sway to the rhythm of his beating while his face suggested a high priest performing some joyous ceremonial rite. Louise Manly said of his ringing, 'His playing on the triangle is in perfect time and so jolly that it almost sets one to dancing.'... Uncle Abe died on February 9, 1924, just as the triangle was ringing for breakfast... his life left the message: 'Be faithful; be true; do your best for God and man.'" When Jewett Hall was destroyed by fire in 1947, the triangle was saved by "Long John", successor to Uncle Abe. from The story of Judson College In Needlepoint sponsored by the Judson College Alumnae Association.

A Legacy of Giving

A Living Legacy...

Our lives and our legacy are intertwined with the persons and organizations with which we have shared our lives. Our legacy lives in those whom we love and have invested.

Ways to Give

There are many ways to support Judson, both during and after your lifetime. When you give a planned gift to Judson College you will have the opportunity to be recognized as a member of the Covenant Society along with others who financially support Judson's mission of equipping future leaders through Christian higher education for young women. Planned gifts are a wonderful way to extend your legacy of supporting Judson after your lifetime, and/or to recognize and honor others by making memorial gifts.

Bequest through your Will

We hope you'll consider including a gift to Judson College in your will or living trust. Called a charitable bequest, this type of gift offers these main benefits:

- **Simplicity.** A bequest can be made by including just a few sentences in your will or trust.
- **Flexibility.** Because you are not actually making a gift until after your lifetime, you can change your mind at any time.
- **Versatility.** You can structure the bequest to leave a specific type of property or amount of money, make the gift contingent on certain events, or leave a percentage of your estate to the college.

- **Tax Relief.** If your estate is subject to estate tax, your estate is entitled to an estate tax charitable deduction for the gift's full value.

Retirement Account Beneficiary

Retirement accounts such as IRAs and 401(k)s can be ideal assets to leave to Judson. Including Judson is as simple as naming Judson College as the beneficiary of all or a portion of your retirement account.

Gift of Life Insurance

Life insurance is a popular low-cost method of providing much-needed funds to a beneficiary at your death. Life insurance can be distributed to a charitable organization such as Judson College, if named as a beneficiary of the policy at the time of your death.

Charitable Gift Annuity

If you'd like to support Judson's mission and receive steady payments during your retirement years, a charitable gift annuity may be right for you.

Charitable Lead Trust

A charitable lead trust allows you to benefit from tax savings that result from supporting Judson College without giving up assets that you'd like your family to receive someday.

Charitable Remainder Trust

With a charitable remainder trust, you can receive income each year for the rest of your life from assets you give to the trust you create. Your income can be either a variable or a fixed amount. After your lifetime, the balance in the trust goes to the charities of your choice.
