Logistics

Spark will be held on the campus of Judson College. Judson's address is 302 Bibb Street, Marion, Alabama 36756. Directions to campus are also available on Judson's website at www.judson.edu/directions. Check-in and check-out will be in Archibald Hall, which is located in the center of campus.

Lodging

Participants will be staying in Anne Kirtley Residence Hall. All rooms are on the suite system, meaning that two double occupancy rooms are connected by a bathroom. (This means two people will share a bedroom and four people will share a bathroom.) Check the packing list for information about what you'll need. Linens are not provided.

Electronic Devices

Participants may bring their smartphones or other electronic devices with them at their own risk. Phones aren't allowed during conference sessions. Wifi will not be provided.

About Judson

For more than 180 years, Judson College has been helping young women identify, strengthen, and use their gifts for God's glory. Spark provides rising sixth through ninth graders with a first taste of the Judson experience.
