

TERMS OF PAYMENT

All student charges are payable on or before Validation Day for each term for on campus students and before classes begin for distance learning students. Payments are accepted in the form of cash, check, credit or debit card. Students expecting financial aid must have a processed and verified Student Aid Award Letter. Students expecting loans or payments from outside sources must present appropriate documents by the deadlines available from the Financial Aid Office. Checks should be made payable to Judson College and mailed to the Business Office, 302 Bibb Street, Marion, AL 36756.

Failure of a student to meet financial obligations by the due date will subject the student to withdrawal from classes, suspension of campus housing, dining hall privileges, student activities and athletic participation, ineligibility to graduate or receive grades, transcripts or future deferments, late payment fees and referral of the delinquent account to a collection agency. Accounts referred to a collection agency are subject to reasonable collection agency fees and reasonable attorney fees and other costs and charges necessary for the collection of any amount not paid when due.

DEFERMENT OF EXPENSES FOR TRADITIONAL STUDENTS ONLY

Students who meet the following eligibility requirements may defer a portion of the current semester charges for tuition, fees, room and board.

1. All prior semester charges must be paid in full.
2. At least one-half of the remaining balance after all financial aid has been applied must be paid before classes begin.
3. An agreement form must be signed by the student and parent or guardian.
4. The deferred balance must be paid within 30 days of the beginning of each term.
5. Failure to comply with the deferment deadline will subject the student to the above mentioned penalties.
