

PRE-LAW

The Pre-Law Program is not a major within the College but is a specialized program to prepare the prospective Law Candidate for Law School Admission following graduation. Law Schools recommend a broad-based academic degree program in the liberal arts or the sciences. While in the past, admission to law school was based primarily on academic grades and high L.S.A.T. scores, current emphasis is also given to critical thinking, rational thought processes, and writing ability. The following majors and minors have been found to be highly beneficial in preparing for law school:

Majors: Business

English
Religion/Philosophy
Criminal Justice
History
Psychology
Biology
Chemistry

Minors: Political Science

Biology
English
Chemistry
Religion/Philosophy
Business
Accounting
History

Additional information may be obtained from the pre-law advisor.

PRE-SEMINARY (THEOLOGICAL OR RELIGIOUS EDUCATION)

Seminaries encourage students to complete the baccalaureate degree with a major in one of the liberal arts. Pre-seminary students should consult the Religious Studies Department Head for additional information.

PRE-DENTISTRY

The requirements for admission to schools of dentistry may be fulfilled at Judson College. An outline of the curriculum may be obtained from the pre-dentistry advisor.

PRE-MEDICAL TECHNOLOGY

Schools of medical technology prefer a degree from an undergraduate college with the following minimum hours of study:

Sixteen (16) hours in biology

Sixteen (16) hours in chemistry

A course in college mathematics

Eight (8) hours of basic physics

An outline of the curriculum may be obtained from the pre-medical technology advisor.

PRE-MEDICINE

The curriculum at Judson provides the arts and sciences education desired by professional schools in addition to sound scientific studies. Medical schools expect the admitted students should: have acquired a high degree of proficiency in handling scientific material; be able to perform well in all courses; be strongly motivated for careers in medicine; be compassionate and empathetic; have a grade point average of 3.5 or better; have a high score on the new Medical College Admissions Test; and have a high degree of personal integrity. Most students admitted to medical schools have obtained a Bachelor's degree from an accredited college.

PRE-OCCUPATIONAL THERAPY

Prerequisite courses that are required by major Alabama schools are taught at Judson College. For specifics, see the pre-occupational therapy advisor.

PRE-PHARMACY

Prerequisite courses needed for admission into Alabama's two Schools of Pharmacy are offered at Judson. Highly successful students have an opportunity for early admission into these schools. An outline of requirements may be obtained from the pre-pharmacy advisor.

PRE-PHYSICAL THERAPY

General admission requirements for schools of physical therapy may be met in two years. However, most students complete the bachelor's degree at Judson before being accepted into an American Physical Therapy Association accredited school. For specifics see the pre-physical therapy advisor.

PRE-VETERINARY MEDICINE

The equine science program at Judson provides a unique opportunity for pre-veterinary medicine students to have a distinct practical advantage over students at other colleges. In addition to meeting admission requirements to veterinary schools, a student may take advantage of actual "hands on" experiences with animals. For specific information contact the pre-veterinary medicine advisor.
