I realize that this credit will be treated as transfer credit and that only a grade of "C" or better will be accepted. Credits attempted as a transient student will not be calculated into my grade point average. Reminder: No more than sixty-four (64) semester hours (or the equivalent quarter hours) may be accepted for transfer credit from an regionally accredited community and/or junior college. Also, in order for complete any degree program successfully, a student must earn at least 25% of the academic credit toward the degree at Judson College. (*Judson College Academic Catalog, p. 60 & 91*)

I understand when I have completed this work I must request that the registrar of the institution I have attended send a transcript of my credits to the registrar at Judson College within ninety (90) days.
